**Nevada  
Psychological  
Association**

The Nevada Psychological Association (NPA) is a largely volunteer based, 501(c)6 non-profit organization that consists of licensed psychologists working in professional and academic settings, psychology students, and affiliated or associated others interested in psychology and the mental health field. NPA strives to provide quality public and professional education and services and legislative involvement to promote the health and well-being of our community. To learn more about NPA, visit our website at [www.NVPsychology.org](http://www.NVPsychology.org).

### Why become a sponsor of NPA?

Becoming a sponsor helps support our organization in its efforts to provide high-quality education to health professionals throughout our state, public education, and legislative efforts to support psychology in Nevada. Additionally, sponsorship provides an excellent marketing opportunity for your organization by putting you face-to-face with potential referral sources eager to learn about your organization. Our events typically can range from 40-100+ attendees. We offer six levels of sponsorship.
