THURSDAY, FEBRUARY 22TH 7:00-8:30 PM

**“AFRICAN AMERICANS AND THEIR PERCEPTION
ON MENTAL HEALTH TREATMENT.”**

Presented by Dr. Regina Johnson, Ph.D.

This presentation will focus on the following:

- How the history of slavery and discrimination contributed to African Americans perception on mental health treatment.
- The stigma and judgement about mental health.
- How spirituality and religious beliefs discourage mental health.
- African Americans concerns about mental health professionals and the treatment process.
- Suggestions on increasing treatment participation from African Americans.
